3.5 The Promotion is non-withdrawable.

3.6 The Promotion may be combined with any other credit or cashback received on trading volume which AXIORY may offer from time to time. Cumulative credit granted shall not exceed 5,000 USD. If the cumulative credit exceeds the 5,000 USD cap, such additional credit will be removed. In the event you enter another promotion offered by AXIORY and fulfill its terms, you will not be granted any more credit above the already accumulated cap. It is your responsibility to keep track of your cumulative credit amount and AXIORY shall not be liable for any inconvenience caused by exceeding the 5,000 USD cap.

3.7 The Promotion is available on a per-client basis (not on a per-account basis), regardless of the number of accounts held with AXIORY.

3.8 If you place a withdrawal, the Promotion will be removed proportionally from your trading account.

3.9 Any profit earned via trading with the Promotion can be kept and withdrawn in accordance with AXIORY's withdrawal of funds procedure. Withdrawal fees apply.

3.10 In the event the equity [the balance (closed positions) in the trading account plus the floating profit and loss from open positions] on the account reaches negative value (“equity without credit”) the Promotion shall be automatically removed and the account will be reset back to zero. Please see examples below:

Example 1:

Equity = 70 USD

Credit = 35 USD

Equity without credit = $70 - 35 = 35$ USD

In this example, the remaining equity on the trading account is 35 USD, and so the Promotion is not removed.

Example 2:

Equity = 34 USD

Credit = 35 USD

Equity without credit = $34 - 35 = -1$ USD

In this example, the equity reached the negative value of -1 USD, and so the Promotion is automatically removed.

3.11 You acknowledge that any indication or suspicion of any form of abuse, fraud, manipulation, in AXIORY’s reasonable discretion, may lead to such account’s disqualification from participation in the Promotion.

3.12 AXIORY will not be liable for any adverse effects where an account has open positions or floating profit/loss which results in the Promotion being removed for any reason.
